	L	B	T
Count In	2	1	HH
Intro	8	3	GTR – HH 1/4
V1	16	11	We had better stopped talking right now We had better being humble right now We had better digging deeper right now We had better changed our lives just right now
V2	16	27	We had better to understand more We had better not touched our rotten past We had better not run in circles We had better not touched our soft spots
Chorus	8	43	OK we have been waiting too long OK we have been giving up on us
V3	16	51	We might just want to start again now We might just want to endure our silence We might just want to kiss and hug again We might just want to feel much better then
Chorus	16	67	OK we have been waiting too long OK we have been giving up on us OK we have been waiting – all wrong OK we have been giving up – let's stop
Middle 8	16	81	It's time we made a move now get going now and get back our lives It's time we made a change now stop fighting now and sort it all out It's time for a new way a new slate and leave it behind It's time for a new day get things straight and clear all things up
Chorus	16	99	Just Never Give Up Just Never Give Up Just Never Give Up Just Never Give Up
End		115	Never
